**SACRAMENTO UPDATE**

**Pursuit of County Position on Budget Items**

**Mentally Ill Offender Crime Reduction (MIOCR) Program.** The Budget Act of 2006 appropriated \$44.6 million for the MIOCR Program to award competitive grants for the implementation and assessment of multi-agency projects designed to curb recidivism among mentally ill offenders. The MIOCR Program provides \$22.3 million in grants for adult offender programs, and \$22.3 million for juvenile offender programs. While funding for this grant program was included in the Governor's Budget for FY 2007-08, on May 21, 2007, Senate Budget and Fiscal Review Subcommittee No. 4 voted 3-0 to eliminate funding for this program. Since the Assembly did not hear the issue, it will proceed to the Budget Conference Committee for final action.

The estimated fiscal impact on the County is unknown at this time because the grant funds are awarded on a competitive basis; however, the MIOCR Program has proven to be cost-effective and successful in reducing recidivism, and diverting individuals with mental illness out of the criminal justice system. Therefore, consistent with existing Board policy to support increased funding for prevention, diversion, and intervention services for mentally ill adults, and delinquent and/or emotionally disturbed minors to divert them from the criminal justice system, **our Sacramento advocates will oppose the Senate Budget and Fiscal Review Subcommittee No. 4 proposal to eliminate funding for the MIOCR Grant Program.**

**Transitional Housing Program-Plus (THP-Plus).** THP-Plus provides a wide range of supportive services to help emancipated foster youth between 18 and 24 years of age become independent and avoid homelessness, incarceration and reliance on public assistance. These services include; affordable housing, employment training, educational counseling, mental health, and life skills training. The Governor's May Budget Revision maintains THP-Plus funding at the current year level of \$15.5 million.

On May 21, 2007, the Senate Budget and Fiscal Review Subcommittee No. 3 approved a \$19.7 million augmentation to fund all counties with approved THP-Plus plans. Since the Assembly Budget Subcommittee No. 1 took no action on this item, the funding augmentation for THP-Plus will proceed to the Budget Conference Committee for final action.

The augmentation for THP-Plus will allow Los Angeles County to expand services to help former foster youth successfully transition to independence. Therefore, consistent with existing Board policy to support legislation and funding to facilitate successful emancipation, promote self-sufficiency and improve opportunities for youth aging out of foster care, **our Sacramento advocates will support the proposed \$19.7 million augmentation to THP-Plus approved by the Senate Budget and Fiscal Review Subcommittee No. 3.**
